

Victims combat ID theft

Tucson Citizen
February 27, 2007

Rep. Gabrielle Giffords spoke to several dozen seniors Sunday at a town hall meeting about combating identity theft. The meeting was at the Pima Council on Aging, 8467 E. Broadway. According to a Giffords news release, Arizona leads the nation in per capita identity thefts. Giffords said educating consumers about how to protect their personal information is the best way to combat the problem.
